ROE 3rd Annual Student Photography Contest

Back by popular demand, high school students are submitting their photography to make the ROE's top 10 photos of the week! Last week the contest kicked off with Dundee-Crown chosen for their featured photo on [Kane County Connects](#). Congratulations to Emma Brant's alpaca photo, "Spitting Distance".

This is a friendly competition focused on highlighting the academic arts in Kane County. The ROE receives positive feedback every year from teachers and parents noting their students' confidence and efforts improve as a result of this initiative. Want to be a part of this contest? New photography classes are welcome to join anytime during the 9 week contest. Contact [Ellen Kamps at ekamps@kaneroe.org](mailto:Ellen.Kamps@kaneroe.org) for more information on the submission schedule and guidelines. [See the top 10 photos from week 1 here!](#)

Juvenile Justice Team Featured in Elgin Community College's President's Report

After the overwhelming success of the dual-credit program for incarcerated youth this past

summer, ROE employees Shirley LeClere, Kathy Lawson, and Ivar Spalis will be featured in the Elgin Community College publication of the fall president's report.

Learn more about the coverage that the Kane County Juvenile Justice Center received from [USA Today](#), the [Chicago Tribune](#), and [Daily Herald](#).

Mastering Information Literacy - November 30, 2016

In today's world, information about everything is available at our fingertips. It's important to know how to sift through all of this data to find resources, determine their value, and synthesize them meaningfully. Follett is partnering with Kane County ROE to offer a professional development course, [Mastering Information Literacy](#)!

In this session, we will explore four steps to help you build an information literacy project for your students and show you how Follett can help. [Register here!](#)

ADC & Graduate Programs Open House at Aurora University

Learn more about Aurora U's educational learning opportunities on November 10 at the Crimi Auditorium in the Institute for Collaboration in Aurora. Choose from a variety of offerings in STEM education, educational technology endorsements, bilingual endorsements as well as administrative programming.

[Contact Liz Botica](#) for more information on Aurora University graduate degrees.

FBI Promotes Safe Online Surfing for Students

Great for teachers and students, this fun interactive resource provides internet safety guidelines for children 3rd-8th grade. [Surf the Cyber Islands](#) and learn about cyberbullying, netiquette, privacy, reporting and password protection [here](#).
