

# Assessment Tools

100% Online  
Self-Paced Course

## • Developed for Educators, by Educators •

Throughout this course you will learn to navigate and use Nearpod, Kahoot, Quizlet, and Canvas Quiz within your classroom. Learn about all 4 assessment tools, or select which you would like more information on. With this course you get to personalize your professional learning experience to meet your needs! This course was developed by the Central 301 School District Instructional Coaching staff and will be taught by Katie Algrim, Director of Innovative Professional Learning at the Kane County Regional Office of Education.
