**Principal Evaluator Competency Skill
Building for Pre-Qualified
Principal Evaluators**

June 15, 2018, 8:30am-3:30pm

This administrator academy meets the retraining requirement for those individuals who evaluate administrators in their district including principals and assistant principals.

The Academy focuses on a high rate of interrater reliability using the required performance evaluation ratings. Using case studies, the participants will collect evidence and use the Illinois Standards for Principal Evaluation to rate the principals.

Participants will use data collected from the case studies and compare the data to best practices for evaluating principals and assistant principals. This data will also be analyzed to prepare administrative and school-level professional development plans.
