

Collaborative Learning Leadership

Are you currently in a teacher leadership position and are always looking to grow your skills even further? Are you considering how you can become a teacher leader in your school or district? Have you ever wanted to brush up on your facilitation or leadership skills or wanted to explore more best practices in providing professional development or meetings?

Well, this session is for you! Through this interactive and engaging workshop we will explore best practices and approaches to adult learning, aspects of better conversations and techniques to create engaging sessions and meetings with staff. No matter what position you are in at this time, this workshop can assist you in making better connections and creating and enhancing adult learning environments.
