

Illinois Online Academy Online Book Study

Four Week Book Study: June 4, 2018 - July 2, 2018

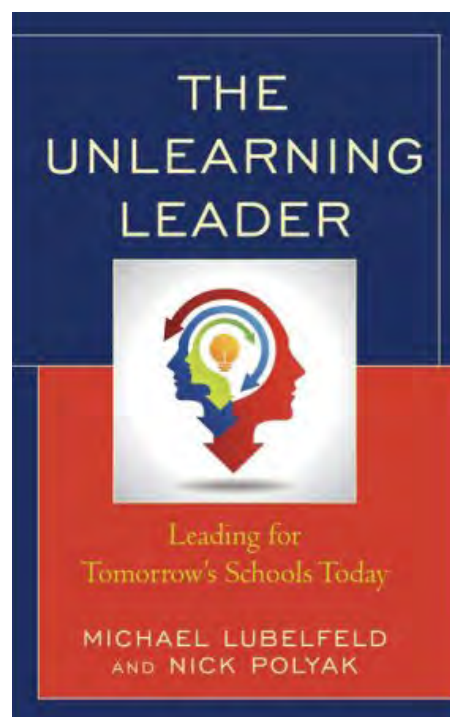

Want to be part of a unique professional learning opportunity to receive PD hours? Join Illinois Online Academy's online book study of "The Unlearning Leader" by local Superintendents Michael Lubelfeld and Nick Polyak!

Learning Purposes Include:

- Energize people to think, act, & do leadership differently
- Embody an innovative mindset that supports unlearning
- Model & share through experience, observation, & trial and error a new way of leading from within the organization
- Put forth the power and positive impact and legacy for leadership
- Unlearn old truths to begin to lead in new ways
- Leverage connection opportunities to lead and learn for tomorrow

Book Study Details:

- Once registered, you will receive an email to access the book club online on June 4.
- Assignments are due by midnight on Mondays; however, you have a three-day "grace period" for emergencies.
- After the close of the book club on July 2, participants who completed all components of the book study (on time) will receive an ISBE Evaluation form that must be filled out and returned in order to receive 8 professional development hours.
- Canvas will be the platform for the book club (all participants need access to a computer and the text to participate).
