Making Questions Count

This course is designed to lead you through different modules that focus on questioning techniques. This course is unique in that the strategies you will explore can IMMEDIATELY be used in your classroom. You will take a deep dive into the Question Formation Technique, Inquiry Based Learning, & Depth of Knowledge questions. In the final module you will explore a variety of different ways to question students, spark meaningful conversations and motivate your learners!!

Cost: \$40

Location: Online, self-paced course - 60 days to complete

PD Credit: 8 Hours

Register online at: <http://bit.ly/2yW5N21>

This course was developed by Central School District 301 Instructional Coaching Staff. It was created by educators for educators. Katie Algrim, the Director of Innovative Professional Learning will be your instructor for the course.
