Members that will need to file and start circulating petitions are Penny Wegman, Rick Williams, Paul Ross, Kevin Williams and Joe Brodner.
The forms can be picked up at the County Clerk's Office and they are done electronically.
Discussed the process in order to get petitions signed. Signatures can be nonparticipating and registered voters. It was suggested to go about 10% more just in case.

The possible petitioner has talked to the school districts. Districts are opposed to the petition. Petitioner wanted the districts to pay the $1500 and districts said no. That is the last we have heard regarding the possible petition.
