Student photography contest

SEPTEMBER 16 - NOVEMBER 18

The 2024 Kane County Student Photography Contest is a ten-week competition hosted by the Kane County Regional Office of Education (Kane County ROE). This event is designed to recognize and celebrate the talent within the art departments in our high schools as well as the knowledge and support handed down by instructors.

Each week, once the top ten photos are reviewed and selected, they will be published on Kane County ROE's website and social media pages.

HOW TO PARTICIPATE

Interested high school teachers should contact Kourtney Lipps (klipps@kaneroe.org), Communications and Website Coordinator at the Kane County ROE, to have a Google Drive folder set up for your class.

Each week, teachers will approve and submit their students' photos into this Google Drive folder. They are also responsible for verifying the authenticity of their students' work.

Submissions are due on the Monday of each week at 3:30 p.m. (deadline will be Tuesday in the event of a holiday).

If you have a student among the weekly top ten winners, you will be notified and sent a Photo Release Form for the student to complete.
