

Illinois Online Academy

The Illinois Online Academy is the premier catalog for online learning in the state. Through this platform, educators can access an extensive listing of course materials to expand their learning in an online environment.

AA CREDIT

You can access a range of Administrator Academies that are **asynchronous** and **on-demand!** Our selection provides research-based strategies to help strengthen your leadership skills. This catalog has helped administrators stay current with best practices, build capacity in their roles, and improve communication with their teams.

WHAT DO
I NEED?

PD CREDIT

We provide timely and relevant support to educators in their journey to meet the ever-increasing demands of teaching and leading, with options including asynchronous online courses and book studies.

The offerings below can be utilized for PD Credit.

I'M LOOKING FOR COURSES

Our asynchronous courses provide participants with relevant resources that help address critical issues facing educators today.

I'M LOOKING FOR A UNIQUE, HANDS-ON EXPERIENCE

We can deliver resources directly to you with *Inspire!* This subscription box is full of activities and techniques that can immediately be implemented in your classroom and completed for PD Credit.

I'M LOOKING FOR MICROLEARNING

Our newest catalog, P.L.A.Y. (Professional Learning and You), offers .25 PD Credit for every 15 minutes you spend completing short activities. Whatever you are passionate about learning, you can choose activities that directly align with your goals and your time.
